SECTION 1.0 Mission, Goals, and Guiding Principles (Charter on Youth Athletics-Arch Dioceses-9/2014)

3.0 Mission

Catholic Youth Athletics furthers the mission of the Catholic Church by providing sports experiences for youth that are firmly rooted in the Catholic faith tradition, based on the goals of Catholic youth ministry, and aligned with the evangelizing mission of the Catholic Church.

1.2 Goals

Goals- Catholic Youth Athletics is a form of youth ministry that leads young people closer to Christ, and takes its inspiration and direction from the 1997 U.S. Bishops' document, renewing the Vision – A Framework for Catholic Youth Ministry. That document identifies three overarching goals for all youth programs in the U.S. Catholic Church:

Goal 1. Discipleship: to empower young people to live as disciples of Jesus Christ in our world today.

Goal 2. Participation: to draw young people to responsible participation in the life, mission, and work of the Catholic faith community.

Goal 3. Growth: to foster the total personal and spiritual growth of each young person.

1.3 Guiding Principles. The policies and best practices detailed in this Charter flow from these goals and are aligned with them. Since the Charter provides a framework of policies and best practices for elementary-age and parish-based athletics in the Archdiocese (except for the Excluded High Schools), the various athletics organizations, leagues, tournaments, teams, and practices that are a part of Catholic Youth Athletics will also reflect these overarching goals. The Guiding Principles are:

1.4 Statement of Philosophy and Beliefs for All Saints Athletic Boosters

As Pope Paul VI said:

“Our athletics should go hand in hand with our youth ministry. We are trying to achieve a sense of quiet confidence and humility that is rooted in discipline and perseverance. Christian maturity comes from a process of inner growth. Athletic maturity envelops a process of inner growth. Sports well understood and practiced contributes to the development of the whole person because it demands generous effort, careful self-control, mastery of self and respect for others, complete commitment and team spirit.”

We believe that sports are an important and valuable part of the ministry of our Parish. Our coaches, parents, teachers, and administrators have a significant influence on our Catholic student athletes. The interaction of coaches, parents, and children in the Catholic sports experience should be a positive influence in the way our children feel about themselves and their love for God. If we can foster the spiritual growth in our Parish families, we as the community called Boosters, have enabled everlasting gifts.

Our top priority is to teach our children athletes at all skill levels to have fun at sports while developing Christian virtues: play hard and fair; respect coaches, officials, parents and teammates; to win with humility and lose with grace.

It is imperative that our entire Boosters community operates at all levels with common courtesy, patience, pride and respect. Our coaches, parents and administrators should act as educators and transmitters of Catholic values.

Our role is to create a culture that integrates athletic excellence and spirituality so that our children come away with a heightened sense of themselves as people who can strive to be the magnificent person God created them to be.

Section 2.0 Organization Role

2.1 Role of Catholic Athletics Organizations. The athletics organizations of our parishes, and non-parish schools, are the heart and soul of Catholic Youth Athletics. It's the place where the Catholic identity of participants, coaches and teams is authentically affirmed, modeled, and lived out. This Charter understands the parish, and non-parish school, athletics organization to be:

- a. An integral part of the mission, ministries, and life of the parish, or non-parish school, and committed to that mission above and beyond other considerations;
- b. under the direct authority of the Pastor (Parish)
- c. Part of the youth ministry of the Catholic Church, with leaders, coaches, adult volunteers, and parents who understand the youth ministry mission of Catholic Youth Athletics (see Section 1, p. 7);
- d. Guided by the mission, goals and principles of this Charter (see Section 1, p. 7); and,
- e. *A source of inspiration, character development, virtue and Catholic Christian behavior that ideally will be beyond reproach.*

2.2 The Ministry Mission of the Athletics Organization. The youth ministry mission of the parish or school is the mission of the parish, or non-parish school, athletics organization. Regardless of formal title (for example “Boosters” or “Athletics Board”) the athletics organization normally is an extension of the mission and youth ministry efforts of the parish, or non-parish school. Athletics organizations are responsible for organizing, coordinating and sustaining high quality athletics experiences for young people that build up their faith, character, virtues, self-confidence, communication capabilities and leadership skills, in the context of athletics. Athletics organizations stand in for Jesus when he says, “Let the children come to me, and do not prevent them; for the kingdom of heaven belongs to such as these.” Matt. 19:14

2.3 Bookkeeping and Accounting

2.3.1 Policies regarding financial bookkeeping, accounting, legal, insurance and accountability. Athletics organizations that are part of a Catholic parish or school are governed by Archdiocesan policy with regard to financial bookkeeping, accounting, and accountability. As such, like all other organizations, ministry groups, or committees of a parish or school, they are responsible to and under the direct authority of the Pastor for timely, accurate and complete financial reports.

2.3.2 Transparency. To avoid the appearance or reality of malfeasance, parish and non-parish school athletics organizations, and the athletics leagues that serve them, are expected to maintain well-organized and transparent systems of financial record-keeping and accountability.

Section 3.0 Safety and Well-Being of Children

3.1.1 Archdiocese of Cincinnati Decree on Child Protection. The provisions of the Archdiocese of Cincinnati Decree on Child Protection must be followed by participating organizations, meaning that the Archdiocese of Cincinnati Decree on Child Protection and all related policies and recommendations are in full effect, including the following sub-points of 4.3.1 which have been excerpted verbatim from the Decree (visit the Archdiocesan website to review the Decree in its entirety):

(a) Regular and occasional volunteers: For purposes of the Decree, a “regular volunteer” is an adult who is not a cleric or employee (for example, a catechist, scout leader, coach, server coordinator, etc.) who functions in a regular relationship having contact with children. This includes interns, student teachers and others in similar capacities. For example, a regular volunteer is one who has contact with children on any overnight event; on at least a monthly basis; or in a multi-day program (e.g. Vacation Bible School). A regular volunteer has contact with children at least once a month, or participates in any overnight event with children. It does not include the occasional volunteer such as a driver or chaperone whose contact with children is less than one hour per month for activities that are not overnight.

(b) VIRTUS®: (A.3 Policy) All candidates for ordination, clerics, regular volunteers and employees who have contact with children must attend a VIRTUS® Child Awareness Session on the *Decree* before they have contact with children. Responsible supervisors who hire personnel furnished by a third party contractor who have contact with children, or who utilize auxiliary services personnel, are to inform such personnel of the existence of the *Decree*, inform them of the requirements of the *Decree* which pertain to them (for example, the C.9 Policy), and give such personnel the option of attending a VIRTUS® Child Awareness Session on the *Decree*.

(A.9 Recommendation) All adult volunteers are encouraged to attend a VIRTUS® Child Awareness Session, including training on the provisions of the *Decree*, even if they are not regular volunteers as defined in the *Decree*.

(c) Fingerprinting and Background Check (B.1 Policy): Background checks through fingerprinting or otherwise in a manner approved by the Chancellor in accord with the current policies of the Archdiocese must be performed on adults as follows: candidates for ordination, clerics, regular volunteers (see definition above) and employees may not have contact with children until an acceptable background check through fingerprinting or otherwise in a manner approved by the Chancellor is completed in accord with the current policies of the Archdiocese.

(d) Recruiting Volunteers (B.3 Policy): Those persons who recruit volunteers to work regularly with children in the parishes, schools, agencies and institutions of the Archdiocese must exercise caution in selecting volunteers. No volunteer has the right to insist on a particular volunteer position. If there is any cause for concern in a particular case, the matter should be brought to the attention of the responsible supervisor for further review.

(e) Permission, Health Information and Release of Liability Forms (C.2 Policy): A child may participate in an organized program sponsored by a parish, school, agency or institution of the Archdiocese only with the written consent of the child's parent or guardian on a standard *Permission, Release and Medical Power of Attorney* form (available online at the Archdiocese website at www.catholiccincinnati.org). Such written consent is expected to provide for emergency care of the child, as warranted by the program or activity.

(f) Minimum of Two Adults, Gender Ratio, Etc. (C.3 Policy): For any activity sponsored by the Archdiocese of Cincinnati, at least two adults, both of whom have successfully completed a VIRTUS® Child Awareness Session and background check through fingerprinting or otherwise in a manner approved by the Chancellor in accord with the current policies of the Archdiocese, and who are not related to each other, must be present for any activity, including but not limited to after school tutoring of any sort (whether the tutor is hired by the parents or not).

Moreover, the number and gender of the adults are to be in proportion to the age, number and gender of the participants, and the duration and difficulty of the activity. Prudence is required in applying this policy to different age groups, length of activity and the risk level of the activity.

- (i) A ratio of 1:10 is recommended;
- (ii) Whenever there is a mixed group of boys and girls it is preferred that one adult of each gender is present. The proportion of male / female chaperones should be similar to the proportion of the children;
- (iii) Single sex athletics must have at least one adult of the same gender as the players (e.g., in case of injury or illness requiring attention in a rest room).

Whenever possible, one of the adults should be a parent or guardian of a participant.

Exceptions for this C.3 Policy are only allowed for the Sacrament of Reconciliation, regular day-school or religion classes conducted on the grounds of the parish, school, agency or institution, and if for unanticipated reasons, only one adult can actually be present for an activity which is not overnight.

For purposes of this C.3 Policy, “adult” excludes 18 and 19 year-olds not yet graduated from high school and others who have graduated from high school but who wish to attend activities with members of their high school class during the three months following their graduation with others who are less than 18 years of age.

(g) Discipline (C.4 Policy): No child may be disciplined corporally or corrected with abusive language.

(h) Reporting (Ohio Revised Code § 2151.421(A) (1) (a); § 2151.421(G) (1) (a)): Ohio law requires all persons acting in an official or professional capacity to immediately report any actual or suspected act of child abuse to the public children’s services agency or to a municipal or county peace officer in the county where the child resides or where the abuse or neglect is occurring. Failure to do so is a misdemeanor and can result in prosecution. The Archdiocese encourages all persons to immediately report any actual or suspected acts of child abuse to Civil Authorities. In either case, a person reporting in good faith in making such a report is immune from both civil and criminal liability.

3.2. Concussions. Head injuries can happen in any sport. Catholic Youth Athletics should comply with state law (see Ohio HB 143 for more details) as regards concussions, including:

3.2.a Before practice or play begins for each sport or season, the parent or guardian of each participating child should review and sign the head injury information sheet required

by Section 3707.52 of the Ohio Revised Code and available at www.healthyohiprogram.org/concussion.

3.2.b Before beginning to coach or officiate, coaches and officials in Catholic Youth Athletics should receive training on concussions and the requirements of Ohio law.

3.2.c If a player exhibits signs, symptoms, or behaviors consistent with having sustained a concussion or head injury while participating in practice or competition, the player shall be removed from the practice or competition by either of the following: (i) The individual who is serving as the student's coach during that practice or competition; or (ii) an individual who is serving as a referee or official during that practice or competition. Parents are expected to be notified of the injury as soon as possible.

If a player is removed from practice or competition as per Section 4.3.2(c) above, under Ohio law the coach or referee who removed the player must not allow the player, on the same day the player is removed, to return to that practice or competition or to participate in any other practice or competition for which the coach or referee is responsible. Thereafter, under Ohio law the coach or referee shall not allow the player to return to that practice or competition or to participate in any other practice or competition for which the coach or referee is responsible until both of the following conditions are satisfied: (i) The student's condition is assessed by a physician or other authorized licensed health care provider; and (ii) the player receives written clearance that it is safe to return to practice or competition from a physician or other authorized licensed health care provider.

3.3. Heat, Inclement Weather, Lightning, Thunder and Thunderstorms.

Lightning, Thunder: When thunder is heard or a lightning bolt is seen at a practice or competition, teams will suspend play and take shelter immediately. Once play has been suspended, play or practice will not resume until approximately 30 minutes has passed since the last thunder was heard or lightning flash witnessed.

Heat: To prevent heat illness (i.e. heat cramps, heat exhaustion, or heat stroke), when there are high temperatures, leagues, athletics organizations, coaches and teams should exercise prudence (such as by monitoring athletes closely, limiting practice duration, allowing lighter clothing, providing frequent fluid breaks for rehydration, and/or providing for shade).

Best Practice – Inclement Weather: When at outdoor practices and competitions, coaches, athletes, game officials and administrators should be aware of potential inclement weather and the signs that indicate thunderstorm development. It is advisable to monitor local weather forecasts the day before and morning of the practice or competition and by scanning the sky for signs of potential thunderstorm activity. Weather can also be monitored using small, portable weather radios from the National Weather Service (NWS). The NWS uses a system of severe

storm watches and warnings. A watch indicates conditions are favorable for severe weather to develop in an area; a warning indicates severe weather has been reported in an area, and everyone should take proper precautions.

3.4. Facility Safety

All Parish Athletic Facilities (Gymnasium and Athletic Fields) should be inspected for safety before practices and games. Safety issues need to be brought to attention of Facilities Director.

Best Practice- Safety of Parish or School Gymnasiums, Athletic Fields, Athletic Facilities. The maintenance, upkeep, and general condition of a Facility are the responsibility of the parish or non-parish school that owns the Facility.

Coaches and adult athletic leaders should take care to ensure that their children are using Facilities that are safe and secure, including:

- a) Gymnasiums: paying attention to any apparent damage to backboards, bleachers, and other seating that could render such item unsafe. Gymnasiums that lack sufficient space outside the boundaries of play can pose safety risks to larger players whose momentum could carry them into walls or chairs; accordingly, it is recommended that athletic events for larger children be scheduled in larger gymnasiums.
- b) Athletic Fields: before beginning practice or play, coaches or athletic leaders should inspect the field(s) for any unsafe conditions.
- c) Postponing or Cancelling: if it is apparent that the condition of a Facility may pose a risk or injury, coaches and athletic leaders are expected to postpone or cancel events until a safe Facility is available, and any such postponement or cancellation will not incur a penalty.
- d) Reporting: any problems with a Facility should be reported to (i) the leaders or the parish, or non-parish school, responsible for the Facility, and (ii) the league leaders who schedule at the Facility. If the problems persist and as a result there are ongoing safety risks, the coaches, athletic leaders, league leaders or concerned parents should contact the Commission.

Section 4.0. Transportation

4.1. Transportation Laws and Policies. The same laws, policies and guidelines that govern other Archdiocesan programs, schools and ministries are in effect for athletics programs under Catholic parish or school auspices, as follows:

Laws:

In an automobile, all passengers must wear seat belts, with no more than one passenger per seat belt.

Schools must transport by bus (by mandate of the Ohio Department of Education and the Ohio Revised Code).transportation for children, the following guidelines must be strictly observed:

Priests, deacons, auxiliary services personnel, personnel furnished by a third party contractor, employees or volunteers must never transport one child alone. There are expected to be at least two adults in every vehicle that transports children. In exceptional situations, it may be permitted for one adult to transport children in a vehicle, provided a caravan of vehicles goes directly from point A to point B, with no stops in between;

When traveling in a caravan there must be a minimum of one adult in every vehicle. If a vehicle is traveling alone, there must be at least two adults in the vehicle;

Children must be directly transported to their destination, or make only previously planned stops (e.g. stopping for food or gas on a long trip). If an emergency stop must be made, all reasonable efforts must be made to ensure that two adults are present (e.g. calling another car in the caravan to pull over as well);

Children must never be transported without written permission from the child's parent or guardian; Clerics, auxiliary services personnel, personnel furnished by a third party contractor, employees or any volunteers must avoid unnecessary physical contact with children while in the vehicle.

15-passenger vans have been prohibited since May 2005 as per the recommendation of the General Secretary of the United States Conference of Catholic Bishops (USCCB).

Archdiocesan Recommendations and Clarifications.

For liability reasons, the Archdiocese prefers that buses rented from a third-party who supplies the driver are used for transportation.

When Church leaders are providing transportation for an event, a teen may drive him or herself (and siblings) only with written permission of the parent or guardian. They may not transport other passengers.

The driver's insurance is the primary insurance coverage, not the Archdiocese.

If an event begins and ends at the site of an activity, the Church leader does not need to organize the transportation.

Church leaders never organize transportation for parish or school events using drivers under the age of 21. Policies: If it becomes necessary for any priest, deacon, auxiliary services personnel, personnel furnished by a third party contractor, employee or volunteer to provide

Section 5.0. Code of Conduct

All who are involved in Catholic Youth Athletics are expected to conduct themselves as examples of Christian behavior. This is essential and expected as a witness to the mission of the ministry of Catholic Youth Athletics, both on the field of play and away from it. The conduct of coaches and players in practices and in competitions has a powerful impact on the conduct of parents and fans, the love of the sport, and the reputation of the Catholic faith community. This Code of Conduct extends to all events or activities sanctioned or sponsored by athletics organizations; including but not limited to meetings, games, practices, travel to and from events, attendance at another team's game, camps, players' clinics, officials' clinics, and during other related activities. Any violations of this Code of Conduct will be subject to disciplinary action as deemed appropriate by the athletics organization leadership, and/or league leadership.

5.1. Code of Conduct

There are four sections to the Archdiocese of Cincinnati Catholic Youth Athletics Code of Conduct, as follows:

5.1.1 Spirit of Catholic Youth Athletics.

(a) Treat everyone with respect and love according to the Great Commandments: "You shall love the Lord, your God, with all your heart, with all your soul, and with all your mind. This is the greatest and the first commandment. The second is like it: You shall love your neighbor as yourself. The whole law and the prophets depend on these two commandments." Matt. 22:37-40

(b) Demonstrate good sportsmanship, patience, manners and an attitude indicative of the spirit and mission of the Catholic Church.

5.2.2 Adherence to Laws, Rules and Policies.

- (a) Catholic canon law and Archdiocesan laws and policies including, but not limited to, the Archdiocese of Cincinnati Decree on Child Protection.

- (b) Recruiting: No recruiting for athletic purposes or to enhance a team's competitive advantage is permitted.
- (c) Leaving the field of play: No team may leave the field, floor, game or tournament because of dissatisfaction with the officials, or their decisions.
- (d) Losing control: Coaches are expected to control their own conduct and the conduct of their players and report to the league and Commission instances where opponents, officials, parents, or fans have failed to control their own conduct.
- (e) Running up the score: It is not permitted to humiliate an opposing team by playing in such a way so as to intentionally run up the score after the outcome of the game is no longer in question.
- (f) Inappropriate communication and behavior: The use of inappropriate, insulting, disrespectful, bullying and demeaning language or behavior before, during or after meetings, practices or games by players, coaches, officials, parents, fans, site personnel, volunteers, or others involved in any parish athletics program is prohibited. Also prohibited are physical intimidation and the use of profane, vulgar, abusive or sexually-oriented language, in oral, written or electronic forms of communication (such as texting or email), by players, coaches, officials, parents, site personnel, volunteers, or fans.
- (g) Escalating behaviors: Behaviors that incite others to act in ways that are in direct conflict with the spirit of Catholic Youth Athletics are prohibited.
- (h) Vandalism and theft: There will be no vandalism, theft, or destruction of property at any athletics venue.

(i) Alcohol, tobacco, illegal controlled substances: No alcohol, tobacco, or any illegal controlled substance is permitted at practices, league competitions, or tournaments where Catholic Youth Athletics, and those of the Organizational Documents of children are present (such as “tailgating” where alcohol is present). Athletics organizations are expected to establish and communicate zero tolerance policies regarding alcohol, tobacco, and illegal controlled substances at competitions, tournaments and gatherings where children are present.

5.2.4 General Violations. Activities that are contrary to the mission, goals, principles, values, provisions or spirit of Catholic Youth Athletics as described in this Charter are prohibited.

(ii) 15-passenger vans have been prohibited since May 2005 as per the recommendation of the General Secretary of the United States Conference of Catholic Bishops (USCCB).

5.2.5 Archdiocesan Recommendations and Clarifications.

(a) For liability reasons, the Archdiocese prefers that buses rented from a third-party who supplies the driver are used for transportation.

(b) When Church leaders are providing transportation for an event, a teen may drive him or herself (and siblings) only with written permission of the parent or guardian. They may not transport other passengers.

(c) The driver’s insurance is the primary insurance coverage, not the Archdiocese.

(d) If an event begins and ends at the site of an activity, the Church leader does not need to organize the transportation.

(e) Church leaders never organize transportation for parish or school events using drivers under the age of 21.

Section 6.0. General Policies

6.1. Registration

Registration for each sport will be completed through the All Saints registration website and a link can be found on the Boosters website at www.stsusannatitans.com. There will be three registration periods, one for each season: Fall, winter and spring. Special programs may fall outside of these standard registration periods.

SEASON	SPORT	APPROXIMATE REGISTRATION PERIOD
Fall Sports	Football; Volleyball; Golf *; Cross Country	April
Winter Sports	Boys Basketball; Girls Basketball	September

Spring Sports	Track & Field; Boys Volleyball, Baseball*	January
---------------	---	---------

* In leagues not sanctioned by the Archdiocese teams will follow their principles.

Registration announcements will be placed in the bulletin, on the Boosters web page, and through emails for at least two weeks. In most cases, the registration will be open for one month. For everyone’s convenience, registration is done electronically via our registration web service. All registration fees must be paid at the time of registration for the registration to be considered complete. If paying by check, the check must be received before the registration deadline. Late fees will be applied automatically to registrations that are not paid before the registration deadline.

6.2. Late Registration

Late registration is usually available to anyone who misses these registration dates. Late registrants will be assessed a \$20 late fee. Late fee exceptions must be approved by the Finance Director, VP and the appropriate Director. Late registrants will be placed on a wait list until it is determined if there is an open spot on a team. We will make every attempt to place as many children on teams as possible, as long as it does not violate our maximum team size. Children who register late will be placed on a team, in the order received.

6.3. Registration Fees/Booster Fees

The registration fee will be set for each sport by the Booster Board. Registration fees cover the expenses to run a sport which include: league fees, referees fees, uniforms, equipment, gym rentals, tournament fees, etc. The Board will evaluate the fee annually and will strive to keep registration fees as low as possible. Additionally, the Board will ensure that a registration fee will never be a barrier for participation in a Boosters’ activity. Boosters is willing to assist parents who are struggling financially and do not have the capability to pay for sport registration fees. The parent needs to make a request of the Boosters President who will determine along with the Finance Director the best action to take.

The booster fee must be paid each school year for each participating family. This fee is only paid once per family (not per child). A child/children will not be eligible to participate on an athletic team until the annual family booster fee is paid. Any exceptions to this will need to be approved by the Finance Director and Booster President.

All payments must be received before an athlete is able to practice or play a game.

Refund requests will be reviewed by the Booster President and Finance Director on the following guidelines:

- If the family decides the athlete will not play the particular sport for the current season due to injury, academic reasons, or if the family is moving, and the Director is notified prior to evaluations: 100% refund
- If the athlete gets injured or quits after being placed on a team and the roster is set: No refund

6.4. Athlete Eligibility

All registered All Saints Parish children, meaning their families are registered parishioners, are eligible to participate in Booster sponsored programs. When the coordinator compiles the roster they will work with the Booster Board and Parish liaison to confirm eligibility.

No distinction is made between children who attend All Saints School and those who do not. It is expected that students in grades 1–8 attend All Saints School or the Prep Program. All athletes will play at their grade level with the exception of an inadequate number of players. When this occurs, the coordinator will recommend the proper team combination. Children cannot play down a grade. Boosters will also comply with OHSAA rules where applicable for varsity grades. Boosters will comply with appropriate league rules.

A student athlete who quits a team after evaluations have been completed may not be eligible for a competitive team in any sport the following year.

The use of mind-altering chemicals, drugs or alcohol at any time or any place is prohibited by students involved in All Saints Booster events or activities. Any student who is found with possession / use / paraphernalia or alcoholic beverages on or off parish property shall be disciplined in the following ways:

1st Offense	2nd Offense
Parent/Guardian Notification	Expulsion from team
Minimum: 2-week suspension	

6.5. Tournaments

In applicable sports, Boosters will pay the entry fee for two tournaments during the season. Any additional fees are the responsibility of the coach and the parents of the players. Registration in any additional tournaments should be discussed and agreed upon among coaches, players and parents before registering. It is recommended that teams in grades 3-4 play in one preseason tournament, a maximum of two tournaments during the season and the league’s post season tournament; and teams in grades 6-8 play in one preseason tournament, a maximum of three tournaments during the season and the league’s post season tournament.

6.6. Non Booster Sponsored Teams

Boosters will only sponsor teams that compete in Booster-approved leagues. Booster's recognizes that coaches and parents may form teams of All Saints Booster athletes outside of these leagues to compete in, for example Amateur Athletic Union (AAU) tournaments. However, these teams are in no way affiliated with Boosters, and the teams must provide their own uniforms and equipment. They are not permitted to use the All Saints name, All Saints uniforms or equipment. Coaches who attempt to use All Saints uniforms will be disciplined based on the Boosters Disciplinary Guidelines as described on the Code of Conduct. Using the All Saints name or property of All Saints is a direct violation of the Archdiocese policy.

A non-Booster-sponsored team of at least 50% All Saints parishioners may request gym time through the Booster President. The gym is a Parish facility and available to all parishioners, however priority will be given to Booster sponsored teams.

6.7. Team Selection Policy

Booster's designs and implements effective selection procedures to create the best experience for each student athlete at all skills levels.

In grades 3 through 5, our focus is on providing an instructional experience. Our goal when players are placed on teams in grades 3 through 5 is to balance the teams.

For grades 6, 7, and 8, our focus is to enhance a player's individual and team's athletic progress. Our selection process is based on objective assessments of student athlete's skill and ability.

Directors will strive to use the appropriate amount of quantitative and qualitative data as possible to make the best team selections possible. The following team selection procedures were designed to maintain team balance, provide additional competitive opportunities when appropriate and ensure athletics at All Saints conform to the Parish and Booster philosophies.

6.8. General Rules for Evaluations

The Director is responsible for determining and publishing the schedule for all evaluations.

The Director must communicate to parents that evaluations are not optional, and an athlete may miss an evaluation only for circumstances beyond their control.

If possible (gym time and coach availability permitting), the evaluations should span at least two separate dates and should total at least 1 ½ hours. If only one date is possible, the evaluations should be at least two hours long. An athlete must attend at least 1 evaluation to be considered for an A Team.

6.9. Parent Participation in evaluations:

For grades 3-5 only parents who will also serve as head coaches or assistant coaches can participate in the evaluation.

For grades 6-8 parents cannot participate in the evaluation process, unless a parent is also the Head Coach for the highest competitive level team.

Evaluations are closed to parents, with the exceptions as noted above, or if an athlete requires a parent to attend for medical reasons. If a Booster Board member, including a Director or coach, has a child being evaluated at a specific grade level, they may not attend or participate in the evaluation. The coordinator is responsible for designating an alternate to ensure that the evaluation is conducted properly.

The Director is responsible for selecting the evaluation team for each grade.

For each grade the Director is responsible for designating a Lead Evaluator. The role of this evaluator will be to run the evaluation session and to compile the results.

For each evaluation session the athletes should be provided with an evaluation number and athletes names should be blinded to the evaluators as much as reasonably possible.

The Director shall provide a Player Evaluation Form to the evaluators.

Evaluation criteria should be sport specific and should be defined prior to the evaluations.

At the completion of the evaluation the lead evaluator is responsible for compiling a summary of how each athlete is ranked and providing this list to those selecting the teams.

All evaluation data are privileged. Evaluation sheets should be collected and turned into the lead evaluator and kept by the coordinator for a period of two years. All inquiries and discussion of rankings shall be managed by the coordinator only. Parents should only be provided evaluation data on their child only. Any breach of this information will be considered a violation of the Code of Conduct.

Once the ranking are complete they are finalized and not subject to change.

Evaluations for “competitive teams” (Grades 6-8 Basketball and Volleyball) will include an independent evaluator identified by the Sport Director. They will provide input into the process and selection of “A” teams. The Sport Director and “A” team coach own the final selection decision/process.

6.10. Injured Players

If a player is unable to participate in evaluations due to an injury, in lieu of the evaluation the following process will be used to evaluate the player:

- If a player wants to be on a competitive level team the parent must advise the director.
- If a previous years evaluation of an All Saints Booster sponsored team information is available this may be used as part of the evaluation.
- An evaluation from a previous coach regarding the athlete's talent and character from previous All Saints Booster sponsored team may be used as part of the evaluation.
- Any combination of the above criteria may be used to rank the injured athlete.
- Once all the available information is compiled the lead evaluator and director must agree on the final placement of the player on a team.
- In the event of equitable players, the favor should fall with the player who attends the evaluation. The resulting recommendation must be approved by the Sport Director.

6.11. Team Selection Process for Instructional Teams (Typically grades 3-5)

- Selection will occur after an evaluation of all players that have registered is completed.
- Prior to any selection procedure all players must be ranked into appropriate skill levels per the coordinator.
- Athletes that are registered, but did not participate in an evaluation will be assigned a ranking by the director.
- The preferred procedure used for selection of players is a draft though the director has the latitude to determine the best approach. The lead evaluator should be available during the draft and open to discussing strength and weaknesses of student athletes based on their observations.
- Parent head coaches will have their child placed on their team. The child should be considered one of the draft picks according to their associated ranking.
- Assistant coaches are selected after the draft. In other words, a head coach can't pick his assistant before the draft.
- Prior to the draft the director must determine the number of teams and head coaches. The number of teams should be based on the number qualified coaches and maximizing playing time.
- Only head coaches are allowed to participate in the draft.

6.12. Team Selection Process for Competitive Teams (Grades 6-8)

- Selection will occur after an evaluation of all players that have registered is completed.

- Prior to any selection procedure all players must be ranked into an A, B, or C pool or similar ranking per the director. Ranking within the pool are recommended.
- Athletes that did not participate in an evaluation will be assigned a ranking by the lead evaluator or coordinator. However, to be considered for an A or B team the athlete must attend at least one evaluation.
- Injured players will be ranked prior to the selection of the teams as defined in this document.
- Prior to the selection of teams the director must communicate to the parents that if an athlete is to be part of a competitive team (A or B) this sport must be their first priority. It will be unacceptable to an athlete to miss practices or games for another sports/team's commitment. If the sport is not first priority, the student athlete may be placed on the recreational team.
- Prior to the selection of the teams the director must determine the number of teams and head coach. The head coach of the A team must be preselected prior to the evaluations per the Coach Selection Policy. The A Team Coach should be the lead evaluator and present at all the evaluations.
- The director in consultation with the A Team Coach should determine the number of teams and number of players on each team.
- The director in consultation with the A Team Coach must then determine how the teams should be formed with respect to when to form competitive teams and when to start recreational teams.
- An A Team should always be selected, only by exception as approved by the director and the Booster President.
- Competitive teams should continue to be formed as long as there are athletes who want to play competitively and can form the core of a solid competitive team, and the next level skill team will be able to play at a level that will allow them to be competitive in their league.
- Any athlete who joins the Parish or is a member of the Parish and is eligible to play after the teams have been selected cannot be assigned to an A or B competitive team. The player must be assigned to a C or Recreational Team.
- Directors are charged with the responsibility of ensuring an effective selection process and timely resolution of any issues. If the Director has a child at the grade being evaluated, he/she should ask the President to stand in or assign someone on the Board for evaluations.

- The director has the authority to modify the above process as long as the result yields fair teams, and the modification is approved by the Booster President prior to announcing the teams.
- Once teams are announced they are not subject to change, unless approved by vote by the Booster Board.

6.13 Team Announcements

- Team announcements must be made by the director only.
- The team evaluation and selection process is considered privileged information and should not be shared with anyone outside of Boosters. Anyone other than the director sharing information with parents, athletes, or those without a need to know is considered to be in violation of the Code of Conduct.
- The announcement of the teams must occur for all teams, and should not be done individually.
- The team announcement should include the following information:
 - Head and Assistant Coaches names (if available) and contact information
 - Team Roster including any contact information
 - A copy of the Code of Conduct
 - Explanation of playing time philosophy.
 - A copy of the Booster Conflict Resolution policy. It should be made clear of that issues should be brought to the coach first, and progress to the director, then the Booster President.
 - Any practice or game schedule information
 - Explanation of tournament involvement.
 - Discussion of the team service project and team mass.
 - Discussion of the expectation of parental involvement including: working concessions / admissions, running the clock, etc.
 - Expectations of returning the uniform at the completion of the season.

6.14 Expectations of Coaches

6.14.1 Faith Expectations of Coaches

- At least one prayer will be shared at each practice and game, praying together with the visiting team at all home games – keeping God first in all we do.
- Implementation of the Sports Leader Program as instructed where applicable.
- Each team completes a service project as a team any time during the season.

- If a candidate for head or assistant coach has coached previously, past parent evaluations will be reviewed for consistency of the above mentioned criteria.

6.15 Playing Time

It is expected that coaches communicate the playing time requirements to both parents and athletes prior to the season. For our Instructional and Recreational teams we require roughly equal playing time over the course of the Season. Competitive teams should follow any League rules on playing time and a coach should have each player play a minimum of 25% of the games over the course of the season. Coaches must also have a system in place to monitor and comply with this playing time requirement. Coaches must be aware of league rules.

We strongly recommend the use of substitutes whenever possible, especially when the game's outcome has been decided. Deliberate attempts to humiliate opponents by running up the score are inconsistent with our philosophy.

6.16 Coach Selection

- Coaches will have a willingness to represent All Saints with a high-level of sportsmanship, integrity and respect towards team, parents and opponents at all sporting events.
- Coaches will have a willingness to adhere to Booster's policies and support the Ministry's philosophy.
- Coaches must attend and complete Virtus Child Protection training, and stay current, before they begin practices or have any interaction with the student athletes.
- Coaches must complete the mandatory Concussion Education as required by law.
www.healthyhioprogram.org/concussion
- No one under the age of 21 may be a head coach.
- Important factors in the head coach selection include the following:
 - Support spirituality aspects of the Booster Ministry mission
 - Knowledge of the sport fundamentals and rules
 - Ability to communicate with children and parents, especially in difficult situations
 - Time availability and dependability
 - Post season survey responses (if they have coached for St. Susanna before) or feedback from previous coaching experiences
 - Ability to develop players' abilities, character, and spirituality
 - Goal to develop each child to the best of their ability
- All coaches must be willing to abide by Boosters and Archdiocese Code of Conduct

- Coaches will ensure that every student athlete is to participate in all practices and playing time guidelines shall be followed. For the safety of the student athletes, the coach will start and finish practices in a timely manner. No child shall ever be left at a game or practice site without adult supervision.
- Non-parent head coaches will be recruited for competitive/ “A” teams in grades 6-8. A non-parent head coach is strongly preferred for the competitive/ “A” team. A director and Booster President may recommend a parent coach to the Board if they believe he/she is best qualified.
- The Booster Board must approve all recommended head coaches. This list should be presented to the Booster Board at the Booster meeting prior to evaluations for that particular sport.

The All Saints Boosters appreciate the time commitment a coach invests. There is, however, no guarantee that a coach will be selected to coach the following year based on a previous years’ coaching. The criteria listed above will determine coach selection from year to year. Directors will do their best to find the coach who best meets all of the criteria mentioned above, when there are two or more coaches who exemplify these criteria fairly equally, the Booster President and Director will choose the coach based on solicited feedback and interviews, if necessary.

6.17 Assistant Coaches

- Assistant coaches for each sport at each grade level will be chosen by the head coaches after team selection. An assistant coach must be 19 years or older.
- The attributes listed above for head coaches should also be sought for assistant.
- The Booster Board must approve all recommended assistant coaches.
- Non- Parent assistant Coaches are preferred for competitive Teams.

6.18. Parent Volunteers

Coaches must be responsible for assigning volunteers to provide a variety of services to make the program successful. This will include, but not limited to: set up, clean up, concessions, and admissions and all duties that accompany these activities. Directors will provide the list of duties that must be fulfilled by the team. If a coach is not willing to take responsibility for assigning these volunteers (they may select someone to assign volunteers, but the coach is ultimately responsible), we ask that they do not volunteer to coach. If parents are not able to work, they are responsible to get someone to sub for them. Volunteers must be 18 years old or older. If there is a child that is younger than 18, they may help, but the parent must be present with the student. If the assigned parent does not show up and fulfill their duties as assigned, their child playing the sport may have to sit out the next game.

6.19. Outline for Coach’s Meeting with Parents

It is expected that the head coach will meet with the parents prior to any games being played. It is mandatory for at least one parent to attend. That parent also bears the responsibility to share the Code of Conduct with other key adults involved in the program for their child (i.e., grandparents, guardians, etc.)

In the case of a violation of the Code of Conduct, a coach or other official or authorized leader may choose to deliver a warning, or if the violation warrants it the individual may be ejected and suspended as follows:

- a) Ejection: A coach, parent or fan who is ejected for any reason must leave the premises (including the field of play, stands, and adjacent areas such as nearby parking lots) and shall be suspended for the next scheduled game. A player who is ejected from the game is not required to leave the premises. However, if a player (or child fan unaccompanied by

an adult) is ejected and required to leave the premises, that child should be supervised by at least two adults until the child is directly under the supervision of a parent or guardian, in compliance with the Decree on Child Protection.

- b) Suspension: An individual who is suspended shall be prohibited from attending the next game. Suspensions for egregious violations may include multiple games, practices and other team activities at the discretion of athletic leaders.

Suspension shall follow ejection as a consequence of the violation. Any violation of the suspension or subsequent violation shall trigger an escalating series of responses, as follows:

First Violation- before, during or after a game or practice that results in an ejection will result in a one game suspension. (Attendance at next game is prohibited)

Parents are a vital part of Boosters and will be required to work concessions as assigned.

Parents should call coaches if their son/daughter will be absent from practices or games. At the end of every season, parents will be required to complete an evaluation of the program and the coaches involved.

Children mature, physically and emotionally, at different rates. This relates directly to sports as well. As parents, we should strive for these standards while involved with our children in sports:

Parents must insist that youth sports participation not detract from the child's academic and faith formation progress and responsibilities.

Parents should choose the proper sport for their child. This includes consideration of their maturity and the physical requirements to play a sport

Parents need to remind themselves and their child that sports is only a small part of life.

Parents should be a positive influence for their child; positive as a spectator, coach, coordinator, or caring parent. Parents should also be a positive role model by being a good sport at games, practices and at home. Parents should give positive reinforcement, both to their child and their child's coaches.

Coaches, Parents, and Athletes must comply with the Code of Conduct in this handbook set forth by the Archdiocese of Cincinnati Charter on Youth Athletics. "Participation on a team and attendance at practices and games are a privilege not a right for players, coaches, parents and fans. In the case of a violation of the Code of Conduct... the individual may be ejected and suspended..." as outlined in the Charter on Youth Athletics.

All members are expected to be present for all meetings. Three consecutive absences or a total of four absences in a calendar year will be sufficient grounds for replacement.

Minutes will be approved by Board member attendees for that meeting and sent back to the Communication Director before public release. Minutes may be voted upon via email communication.

10.2. Booster Board Election Process

Each year, the positions available on the Boosters Board will be communicated broadly to the Parish (Booster & Parish website, Parish Bulletin and Booster email) and will include an outline of the Boosters' Statement of Philosophy and Scope as well as a brief description of the respective Board Officer's responsibilities.
